Arrangements from Friday 12th June

When do I need to come in?

From Friday 12th June you need to attend school when:

- You have exams;
- You have lessons (either normal or additional) in subjects where there are still exams to sit;
- You would prefer to work at school in a study staff supervised study space

Practical Arrangements

- Whenever you are in school **you must be in full school uniform and normal rules apply including the use of mobile phones, headphones etc.** The only exception to this is the Year 11 Barbeque.
- Whenever you arrive to school or are leaving school this must be done from the **South entrance (Year 11 Village end)** from 1st Break Monday 12th June. The gate will be supervised by staff during breaktimes. If this entrance is closed, please leave/enter via the main entrance.
- When you arrive to school for anything other than an exam you need to sign in every time for Health & Safety/Safeguarding purposes. Signing in and out forms will be located on a table by student reception. Similarly, when you are leaving the site please sign out at the same place.

Can I work in school when there is not a timetabled session?

The answer to this is - yes you can. However, if you are staying in school to do your own work and revision you need to be doing this in the year 11 village classroom. Lessons will be running for all of other year groups so you cannot wander the school to see teachers. Therefore, if you are using this facility to do work, please make sure that you bring your revision with you and there will be a member of staff supervising this room if you need any assistance.

If you have any questions about any of this, please speak to Mr Hutton or Mrs Holness.
