

ATTITUDE TO LEARNING

A

Did you look for opportunities to really push yourself and extend your learning?
Through the way you work does your attitude show your drive and ambition to excel?

B

Have you tried your hardest and produced your best work?
Did you act on any advice and feedback given?
Have you made good choices with regards to your learning?

C

Could you have produced better work?
Did you make some poor choices that will affect your progress?
Did you work hard for the whole of the time?

D

Did you make some poor choices that will affect your progress and the progress of others?
Is your lack of effort stopping your learning and progress?
