

T

Themes- the issues running through a text (eg romance).

W

Words- what types of words are used? Are any particular techniques used, such as similes, metaphors or personification?

I

Imagery- what mental images do the words/language give us?

S

Structure and Style- how is the poem laid out? Are there separate stanzas, etc?

T

Thoughts and feelings- What are the writer's or speaker's thoughts and feelings in the poem?
