

AQA GCSE Art & Design

- Fine Art
- Graphic Communication
- 3D Design
- Photography

Your final grade will consist of two elements.

60% - coursework and 40% - exam

At the end of December you will submit your coursework. This must cover all four Assessment Objectives and demonstrate the use of a range of materials and techniques. It must include a sustained project that shows a journey from initial ideas to the realisation of intentions.

In January you will be given your exam paper. You will choose a theme from this paper and explore the theme in depth leading to a final outcome.

You will complete your final outcome in a 10 hour exam.

15th November - mock exam

16th December - coursework hand in deadline

January - exam paper available

April - 10 hour final exam

GCSE Fine Art

Natural Forms

You are expected to submit two projects for this course and supporting work.

Personal project based on Order/Disorder, Fragments or Fantastic & Strange.

This includes at least one sketchbook, a selection of folder work, a clay pot and a final outcome for your personal project. All work must be well organised and annotated and must demonstrate the use of a range of materials and techniques.

After school sessions

Design rooms are open after school for extra help. This provides an opportunity to catch up and complete unfinished work.

Tuesday

- **Design 5. 3-4pm.**
Graphics students
- **Design 6. 3-4pm.**
3D Design students

Wednesday

- **Design 1. 3-4pm**
Photography students
- **Design 2. 3-4.30pm.**
Open to all art & design students.

GCSE Three Dimensional Design

Furniture design

You are expected to submit 3 projects for this course. This includes sketchbook work and a selection of folder work, models and final 3D outcomes. The 'Product design' topic students will be expected to produce a personal outcome based on a brief using their knowledge of previously used materials and new techniques covered this year. .

Natural Forms

Product Design (Wildlife Brief)

Other days may be available by arrangement with your teacher.

GCSE Graphic Communication

Coca Cola project

You are expected to submit two projects for this course. This includes one sketchbook and a selection of folder work and final graphic outcomes.

Album Covers

You are expected to show research leading to a personal outcome based on a brief. All work must be well organised and well annotated. Showing a clear understanding of the project.

GCSE Photography

Arrangements

You are expected to submit two projects for this course and two final outcomes.

Lights and Reflections

This will be submitted digitally through two google slide documents, and two physical outcomes. All work must include annotations and drawings.

Independent Learning

You must complete at least one hour of IL every week. This will help you complete unfinished classwork and stay up to date.

Work for all lessons with supporting materials is available on google classroom. This includes a tracker to help you see what work still needs to be completed.
